Therefore, the rules below are those which now seem essential to maintain a sense of order and dignity for the final resting place of your deceased.

1. Entombment in a crypt or niche is restricted to the entombment of human remains.
2. Prior to any entombment, the crypt and/or niche must be paid in full.
3. For crypt entombment, the funeral director must use a sealer casket with a manufacturer's warranty. Embalming of the deceased is required.
4. Funeral flowers will be permitted in the mausoleum only at the time of the funeral. One casket flower piece and a maximum of six baskets will be allowed.
5. Opening and sealing of all crypts and niches will be performed only by employees of the Association. All entombments shall be made only by employees of the Association. Only supplies and equipment of the Association may be used in connection with openings.
6. Due to scheduling demands, an entombment cannot be made at the time of the funeral. Entombments will be made at Mount Hope Cemetery's convenience.
